- My Orders

Home

The Home page provides an introduction to the Furniture E-Commerce company and showcases featured furniture products.

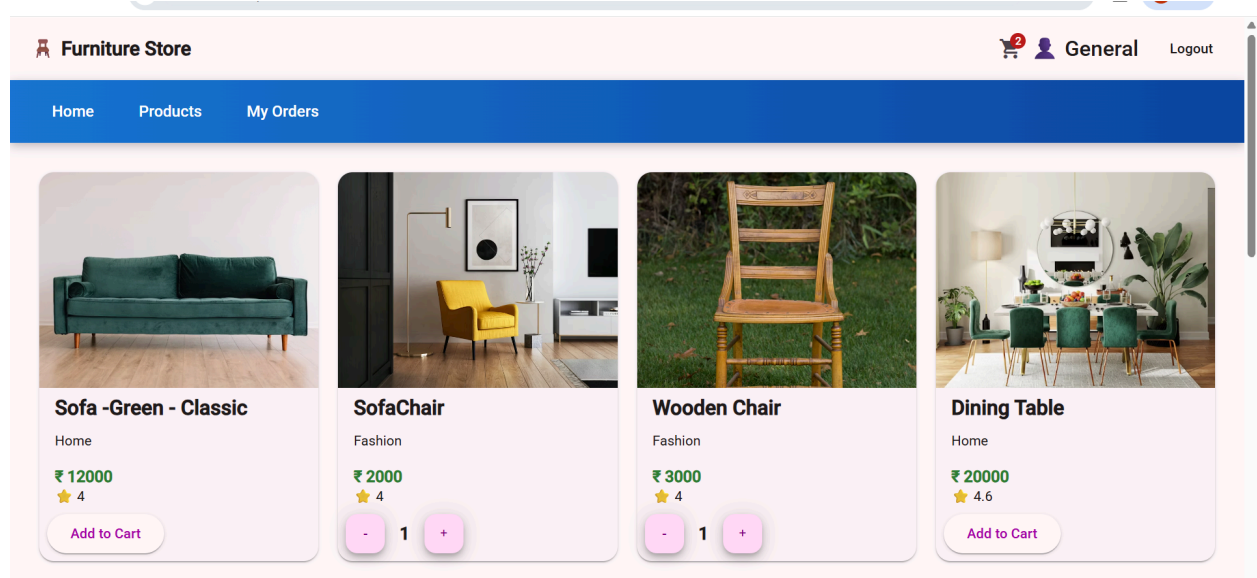

The **Explore Products** button is displayed prominently on the **Home** page. It serves as the primary call-to-action, allowing users to quickly browse and purchase furniture products.

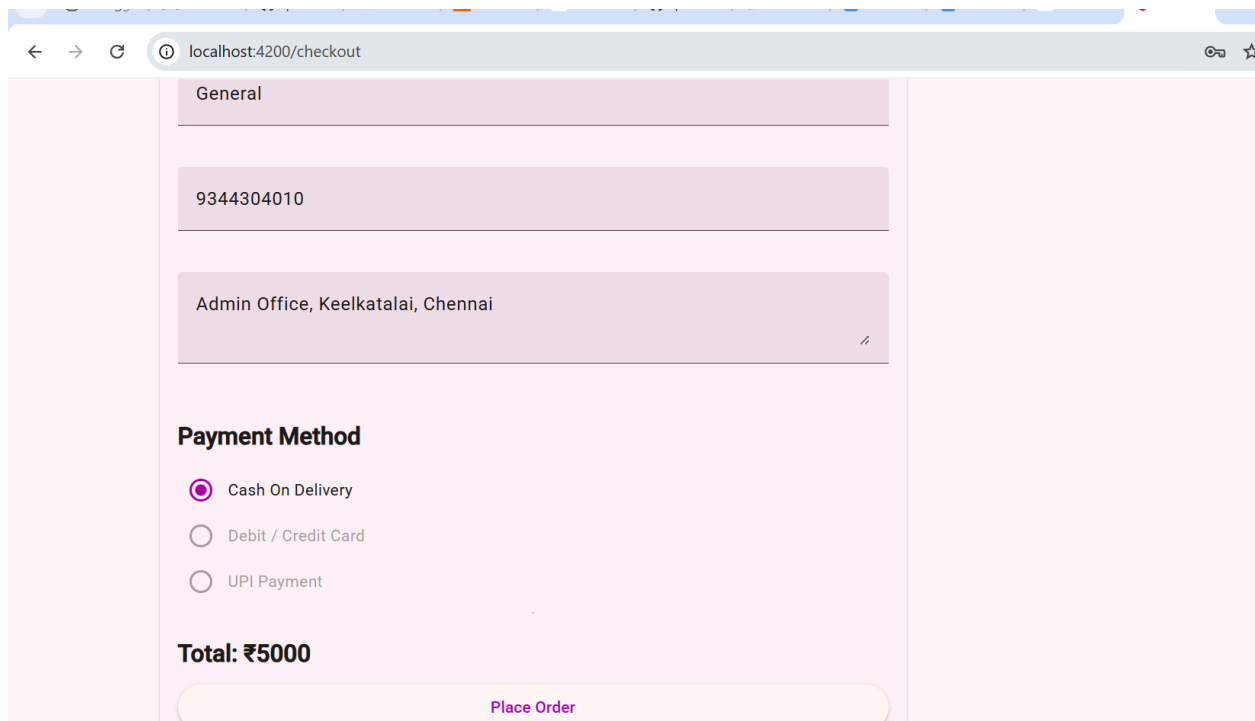

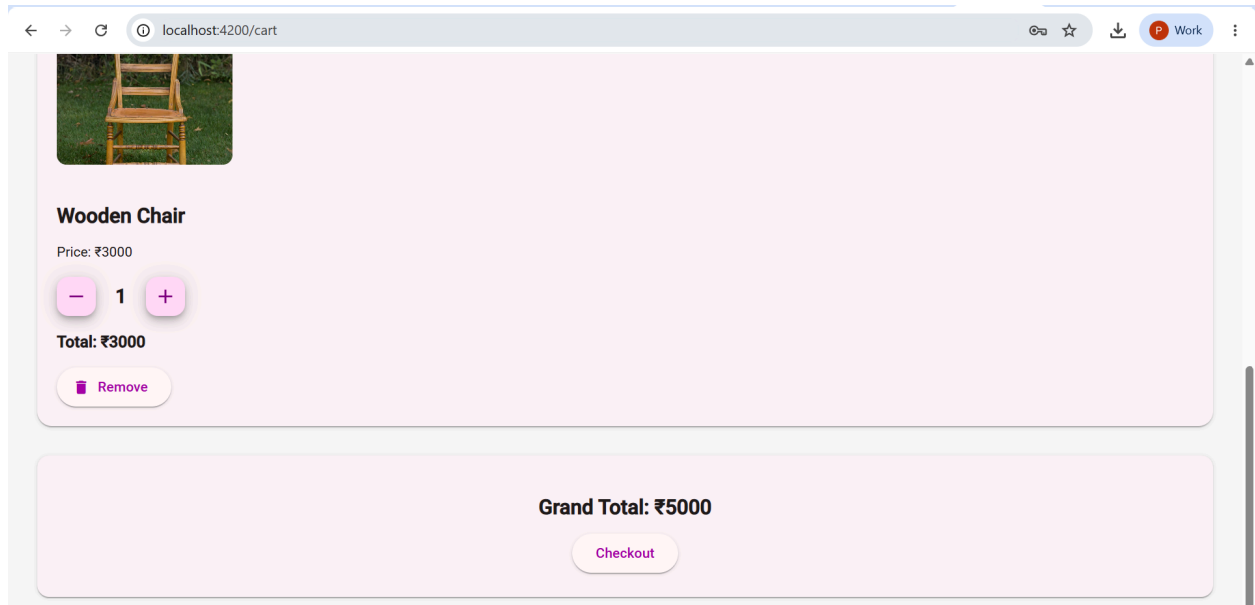

Products

Users can:

- View available furniture products.
- View product details.
- Add products to the shopping cart.
- Proceed to checkout.
- Place an order.

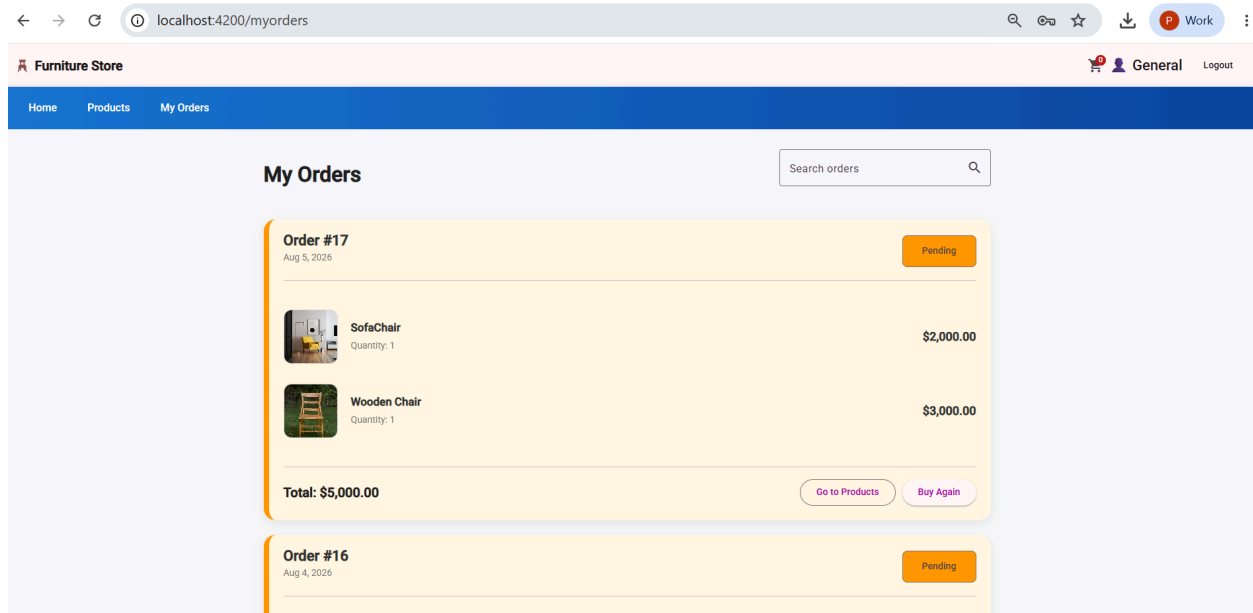

After adding one or more furniture products to the cart, the user can proceed with the purchase by clicking the **Shopping Cart** icon displayed in the top-right corner of the application.

My Orders

Users can:

- View their order history.
- Check the current order status.
- View order details.
